

FIVE NEW NAMES ON WIGWAM SLATE FOR THE SENATE

Conventions to Be Held To-
Night and Several Changes
to Be Made.

Tammany Hall will nominate candidates for the State Senate to-night. This is a list of the probable nominees:
Eleventh District—W. J. A. Caffrey.
Twelfth District—Timothy D. Sullivan.
Thirteenth District—Christopher D. Sullivan.
Fourteenth District—Thomas F. Grady.
Fifteenth District—Thomas J. McManis.
Sixteenth District—Robert F. Wagner.
Seventeenth District—Valter H. Liebmann.
Eighteenth District—Open field.
Nineteenth District—Probably a Tammany district leader.
Twentieth District—James J. Frawley.
Twenty-first District—Willoughby Dobbs, Joseph Ahearn or Stephen J. Sullivan.
Twenty-second District—George M. S. Schulz.

Renomination.
The slate indicates that there will be at least five new Senate to-night. In the Twentieth District, Grady and the "powers" must.
"Big Tim" Sullivan gets William Bohmer's place, and W. J. A. Caffrey, of "Batteries" district, is expected to get Dominic Mullin's place.
Robert F. Wagner, author of the Coney Island Five-Cent Fare bill, gets John T. McCall's place if the present slate goes through. A Bronx man steps into James Owen's boots. Assemblyman Schulz is promoted to Senator John C. Cochran's job.
In the three normally Republican districts there are an abundance of Tammany candidates. In the Seventeenth, where George B. Agnew, a Republican, is the Senator, there is a red-hot fight for the nomination.

How to Reduce Fat

The Simplest and Surest Way to Get Rid of Fat
Said a Noted Physician, is Rengo.

How to Prove It to Yourself. Get a Free 50-cent Package.

The Above Illustration Plainly Shows What Rengo Has Done For Others. It Will Do The Same For You. Try It.

NEW TRADE-MARK.
Rengo Is Guaranteed. You Eat It Like Fruit or Candy.

The Above Pictures Prove There Is No Longer Any Excuse To Be Fat and Sloppy. Rengo Will Do It.

There has become known a remedy for fat, the use of which has already resulted in enormous benefit, and most probably in the saving of many lives.
This remedy is commonly called Rengo. The rate at which this remedy will reduce fat, and do it harmlessly and surely, is truly remarkable. A pound a day is ordinarily the loss recorded, being done by compelling perfect assimilation of the food, and sending the nutrient where it belongs.
The most remarkable feature of Rengo is that you can take all you want of it without running the slightest risk of harm. It can be chewed like candy and is pleasant to the taste.

Many physicians, who before were at a loss to know how to cure obesity, are now prescribing Rengo with remarkable success. It is a great nerve-strengthening product, acting directly on the brain and body. With its use, which appears in nearly every case, reduction of fat where injurious drugs and starvation processes are used, do not occur where Rengo is used.

There is nothing "just as good" as Rengo. For sale by all druggists as \$1.00 per box, or by mail, prepaid, by the Rengo Co., 5254 Rengo Bldg., Detroit, Mich. The company will gladly send you a 50-cent package free by mail if you write them direct to Detroit and enclose 10c as an evidence of good faith and to help cover postage and packing. No free packages at drug stores.

There are no secret processes by which we attain distinctiveness for our

Apparel for Men

We claim no hidden knowledge nor mysterious insight. Simply this—that we began by setting for our productions a standard very high—higher, we believe, than it had ever before been thought that ready-for-service clothes could attain.

Then we surrounded ourselves with craftsmen of a superior order—men who, if they then lacked the training, were at least possessed of the ability to develop their talents under training.

With that nucleus we have gradually perfected an organization in which each individual is a specialist—the whole, a corps of specialists. From their hands comes every garment that bears the Saks label—lowest priced to the most luxurious, unmistakably distinctive.

Ready for Service

Fall Suits and Top Coats
\$15 to \$45

Suits for Young Men

at \$10 to \$28 14 TO 20 YEARS

It is too often the case with makers of clothes for both men and young men that the greater energy is bestowed upon the former.

Not so with us—in fact, very many of our productions for young men suggest ideas which, modified, are used to great advantage in our clothes for older men.

Our presentation of Fall models includes an ample variety of the newest and most exclusive fabric patterns particularly adapted for young men's wear.

Clothing for Boys

Ordinarily prices such as we quote do not concern garments so distinctive and so carefully made as our own—yet measured by the highest standard, the three "special" offerings we submit will prove most exceptional.

Suits of heavy-weight blue serges, in Norfolk or double-breasted models;

Suits of fancy mixed fabrics, in Derby or Norfolk models with 2 pairs of Knickerbockers;

Russian or sailor blouse Suits of serges or mixtures, also a large variety of Reefers.

Serge Suit with extra knickerbockers; also suits of the new mannish mixed cottons, in Norfolk or double-breasted models, with Derby backs and extra knickerbockers; also sailor blouse Suits and a large assortment of Reefers.

A most attractive variety of Suits in the finest of domestic (and many imported) woolsens, tailored with all the distinction it is possible to bestow.

Greenhut and Company Dry Goods

For Growing Girls and Small Women
Suits, Dresses and Coats Irresistible in Style and Unmatchable in Value

HERE'S nothing here that you have seen anywhere else and we allow nothing that is here to get common-place. Women and girls who get Greenhut garments are as distinctively dressed as if they had their clothes made to order. Our splendid variety is made up of small quantities in each style—and we try never to buy the same style twice. There is none of the "turned out by the hundred" appearance to any suit you see here. Our values are as remarkable as our styles. Type descriptions mean little and pictures are not much better. Come in and see for yourself. But meanwhile, here's a hint or two:—

The Suit Illustrated At Left is made of a very fine grade of broadcloth in gray, blue or black. The 3/4-length, semi-fitted, satin-lined coat is one of the newest modified Directoire effects. It has satin-trimmed revers, collar and cuffs; the skirt is full gored and has a deep tailored fold and button trimming. The price (special for Saturday and at least \$5 less than it could fairly be) is \$25

Misses' and Girls' Jumper Dresses; One Style Illustrated at Right in garnet, blue and brown broadcloth, having taffeta trimming and tie; full gored skirt with button trimming in front. One of our jaunty, exclusive styles priced specially at \$12.50

Misses' Coats; full length, double-breasted; Empire back; trimmed with loops of braid and buttons; tailored sleeve velvet collar; at \$12.50

Girls' Coats; full length double-breasted model in blue, brown, red chevrons; with fancy velvet collar, yoke lined with cloth; at \$8.50

A Most Unusual Lot of Waists at \$3.00

Good examples of the Greenhut value-for-price. A glance will show you that these waists were never made to sell for as little as \$3.00. Made of fine lawn and batiste, lingerie style, with yoke of lace and insertion trimming, full-tucked model with elbow-length or full-length sleeves. Sleeves and cuffs of lace insert on.

Like all attempts at waist description, this fails to convey any idea of their real beauty and daintiness. Be assured that you will be glad to buy one or more at \$3.00

Girls' 3-Piece Junior Suits; in fancy striped cheviot; double-breasted semi-fitted coat; satin lined; jumper trimmed with velvet; full plaited skirt at \$18.50

A New Line of Women's Shoes at \$3.00

In this line of shoes we present what is beyond any question the highest standard at the price that has been reached in recent years. No value to equal these has been brought out within our knowledge, since the great advance in leather and manufacturing cost of three years ago.

The value presented is to be reckoned not alone in the quality of the leather and the remarkably smooth and finished workmanship, but also in the astonishing variety of good styles given at the price.

Never Such a Variety at \$3.00

Three-dollar shoes are no rarity in New York, but a careful and comprehensive selection of \$5 and \$6 styles at that price is most unusual. Yet that is exactly what we offer in this new line.

Equally complete is the assortment of sizes and lasts. We can fit any foot that can ever be fitted in ready-to-wear shoes.
